Meet the Funders (MtF) is an innovative programme strengthening the huge wealth of community social action work in Cornwall.

We have designed our MtF Community workshop programme to take you through the key stages of turning your idea a reality. So if you'd like to make a real difference in your community - we'll take you through every step of the way!

If you are developing ideas, setting up a new project, developing or growing something that exists already or would just like to learn more on what community project development is about you are welcome to join us. The MtF programme is for people of all faiths and none.  (Please note:  places must be pre-booked.)

## Meet the Funders WORKSHOP 2 – Thursday 1st October 11.00 am – 12.00 noon
